**BEIJING, China, August 11, 2017** - Xinyuan Real Estate Co., Ltd. (“Xinyuan” or the “Company”) (NYSE: XIN), an NYSE-listed real estate developer and property manager primarily in China and recently in other countries, today announced its unaudited financial results for the second quarter ended June 30, 2017.

**Second Quarter 2017 Highlights**

- Contract sales increased 54.4% to US\$732.4 million from US\$474.4 million in the second quarter of 2016 and increased 139.8% from US\$305.4 million in the first quarter of 2017.

- Gross profit increased 39.6% to US\$107.9 million (or 22.1% of total revenue) from US\$77.3 million (or 20.5% of total revenue) in the second quarter of 2016, and increased 72.4% from US\$62.6 million (or 22.3% of total revenue) in the first quarter of 2017.
- Selling, General and Administrative (“SG&A”) expenses as a percentage of total revenue decreased to 9.9% from 10.9% in the second quarter of 2016 and decreased from 12.6% in the first quarter of 2017.

- The Company repurchased through its share repurchase program 952,231 ADSs at a total cost of approximately US\$4.7 million in the second quarter of 2017.

Mr. Yong Zhang, Xinyuan’s Chairman, stated, “Our second quarter results were generally in line with our expectations under the current government’s restrictive policies impacting China’s overall housing market. We achieved 54.4% contract sales growth and 29.6% revenue growth compared to the same quarter last year, which was attributable to strong and solid performance of our active projects.

We were also pleased to increase our number of strategic land acquisitions. During the second quarter, we increased our presence in several existing markets where we have a sound track record, including Zhengzhou, Xi’an and Kunshan, and established our presence in a new market with national geographical significance — Zhuhai, an important location in the “Guangdong-Hong Kong-Macao Greater Bay Area”. A total of five new projects with an aggregate GFA of 795,000 square meters were acquired in the second quarter, which we expect to support our growth in the years to come.

Furthermore, we are pleased to pay our 22nd consecutive quarterly dividend. The ongoing US\$40 million share repurchase as well as the full redemption of our outstanding US\$200 million senior notes in early July also demonstrate our commitment to delivering value to our shareholders,” concluded Mr. Zhang.

**Revenue**

In the second quarter of 2017, the Company's total revenue increased 29.6% to US\$488.2 million from US\$376.6 million in the second quarter of 2016 and increased 73.9% from US\$280.7 million in the first quarter of 2017.

**Gross Profit**

Gross profit for the second quarter of 2017 was US\$107.9 million, or 22.1% of revenue, compared to a gross profit of US\$77.3 million, or 20.5% of revenue, in the second quarter of 2016 and a gross profit of US\$62.6 million, or 22.3% of revenue, in the first quarter of 2017.

**Selling, General and Administrative Expenses**

SG&A expenses were US\$48.2 million for the second quarter of 2017 compared to US\$41.0 million for the second quarter of 2016 and US\$35.5 million for the first quarter of 2017. As a percentage of total revenue, SG&A expenses were 9.9% compared to 10.9% in the second quarter of 2016 and 12.6% in the first quarter of 2017.

**Net Income**

Net income for the second quarter of 2017 was US\$20.6 million compared to US\$27.8 million for the second quarter of 2016 and US\$7.4 million for the first quarter of 2017. The lower net income compared with the second quarter of 2016 was mainly due to (i) an increase in selling and distribution expenses related to commercial sales under a more challenging market environment, (ii) an increase in the un-capitalized portion of the Company's interest expenses due to some debt not yet allocated into real estate projects, and (iii) a one-time Land Value-Added Tax (LVAT) refund of approximately US\$9 million in the prior year period related to a final settlement at one of the Company's projects.

## Balance Sheet

As of June 30, 2017, the Company's cash and cash equivalents (including restricted cash) increased to US\$1,276.8 million from US\$1,245.9 million as of March 31, 2017.
