99.1	EX-99.1 Press Release of the Company, dated June 3, 2011, regarding an Update on New Development Projects

Xinyuan Real Estate Co., Ltd. Provides Update on New Development Projects

BEIJING, June 3, 2011 — Xinyuan Real Estate Co., Ltd. (NYSE: XIN), a residential real estate developer with a focus on high growth, strategic Tier II & III cities in China, today announced an update to its two most recent real estate development projects, Jinan Splendid in Shandong province and Zhengzhou Yipinxiangshan II in Henan province.

The Company's Jinan Splendid high rise development project commenced pre-sales on May 18, 2011. This project is located in a central area along the Xiao Qinghe river in the Binhe New District in Jinan city. The total sellable gross floor area (GFA) is estimated to be approximately 527,000 square meters. By 31 May 2011, the Company sold 466 out of 527 residential units made available for the first pre-sales permit, for a total recognizable contract sales value of approximately RMB357 million (US\$54.5 million).

The Company's Zhengzhou Yipinxiangshan II development project of multi-layered, sub-high-rise buildings commenced pre-sales in late March, 2011. In April and May, the Company sold 391 out of 574 residential units, for a total recognizable contract sales value of approximately RMB242 million (US\$37.0 million). The Zhengzhou Yipinxiangshan II project is situated in the north part of Zhengzhou city, a high-end community with convenient transportation alternatives.

Mr. Yong Zhang, Xinyuan's Chairman and Chief Executive Officer commented, "We are pleased with consumer demand for our most recent development projects, Zhengzhou Yipinxiangshan II and Jinan Splendid. Each project launched in a timely fashion and, thus far, has exceeded our pre-sales expectations. Such trends indicate that home purchasers appear to be, once again, adjusting to the latest round of government property initiatives. We believe strong demand remains for residential units in tier-2 and tier-3 cities and we remain comfortable with our full year financial forecast."

Safe Harbor Statement

This press release contains forward-looking statements. These statements are made under the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as “will,” “expects,” “anticipates,” “future,” “intends,” “plans,” “believes,” “estimates,” “confident” and similar statements. Statements that are not historical facts, including statements concerning our beliefs, forecasts, estimates and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties that could cause actual results to differ materially from those projected or anticipated, including, but not limited to, the risk that: our financing costs are subject to changes in interest rates; our results of operations may fluctuate from period to period; the recognition of our real estate revenue and costs relies on our estimation of total project sales value and costs; we may be unable to acquire desired development sales at commercially reasonable costs; increases in the price of raw materials may increase our cost of sales and reduce our earnings; we are heavily dependent on the performance of the residential property market in China, which is at a relatively early development stage; PRC economic, political and social conditions as well as government policies can affect our business; the market price of our ADSs may be volatile, and other risks outlined in our public filings with the Securities and Exchange Commission, including our annual report on Form 20-F for the year ended December 31, 2010. All information provided in this press release is as of June 3, 2011. Except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
